

# Anderson, S.C. Plastics Distribution Center

Advanced Eastern U.S.A. Plant Drives Turnkey Plastics Supply for Customers

## SITE FACTS

Anderson Distribution Center  
105 Chapman Road  
Anderson, SC 29625

- Location: Anderson, South Carolina, 30 miles southwest of Greenville, South Carolina
- Service areas: North America, Middle East and Asian markets
- 43-acre site with warehouse capacity of 125,000 square feet, with more than 14,000 pallet spaces for products
- Advanced shipping and receiving area with 15 loading docks, one in-ground scale, and optimized truck and traffic flow
- Bulk processing with three rail spurs and a 33-railcar capacity, with pneumatic conveyance piping and self-loading bulk truck access
- Production capability includes an advanced box-filling automation system, pallet dispensing and upgraded blower technologies, and two pack-out and blower stations
- SAP real-time inventory for increased asset accuracy
- ISO 9000:2015 certified facility

Nexeo Plastics, a global leader in thermoplastic resin distribution, provides plastics to its customers worldwide from its advanced distribution center in Anderson, South Carolina. With the latest technology and expertise, we are committed to meeting your project needs through fast delivery, competitive pricing and service above and beyond what you've come to expect in plastics supply.

### World-class suppliers and products

With inventory and access to more than 8,000 thermoplastic resins, Nexeo Plastics can cover your material needs. As a stocking distributor, we have products on the floor and ready to go with just a call. Products from leaders such as SABIC, LyondellBasell, ExxonMobil and more, are on hand and available in a variety of containers and packaging, from railcars and Gaylord boxes to smaller custom amounts.

### Asset visibility and fulfillment excellence

Our Anderson facility houses the latest in integrated supply chain technology. From customer service through shipping, we have complete stock visibility, enabling concurrent order-to-delivery planning and optimization. Our advanced care process — automated through the Nexeo Corrective Action Report resolution system — ensures 100% customer satisfaction.

Built on an expansive 43-acre site, our Anderson facility has the warehousing and bulk processing capacity to support our customers' growth for years to come. And with end-to-end sales order-to-invoice processes in place, staff and customers alike will always know the status and timing of their orders.

### Shipment tracking and delivery

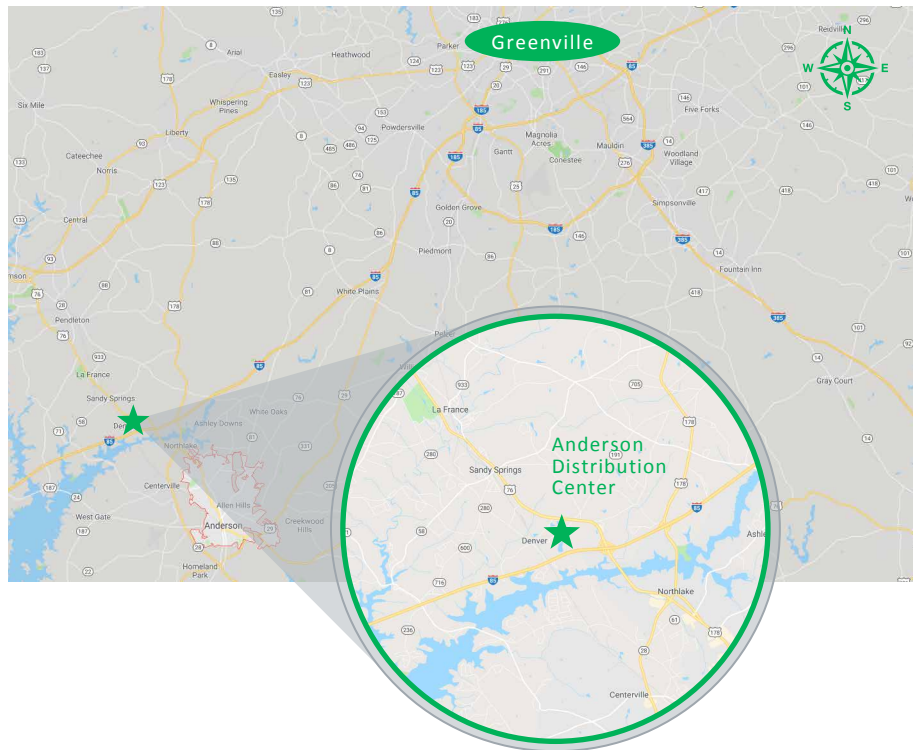

Once the product leaves our docks, our best-in-class private fleet provides superior service, delivering on time throughout North America. What's more, we offer, through our *MyNexeo* online portal, the ability to “track-and-trace” your shipment, from loading dock to doorstep — in real time.

### Industry-leading talent

We know the best service comes from having highly trained, dedicated personnel at the ready. Our team members are regularly re-certified on equipment and processes as part of our commitment to ISO 9000:2015 compliance.

### Commitment to health, safety and the environment

Nexeo Plastics is committed to operating all our facilities in a safe, efficient manner and in compliance with all applicable safety, health and environmental laws and regulations.
