Toll Free (U.S.): 833.44.NEXEO (833.446.3936)

Our Commitment

As a global leader in thermoplastic resin distribution, we connect OEMs and processors with a broad portfolio of sustainable plastic products sourced from world-class suppliers. Whatever your needs are, we can provide solutions for your customers and your business.

We offer grades that can be certified to ASTM D 6400 for compostability to grades that have renewable content based on ASTM D 6866 that can be certified to USDA Bio-preferred criteria.

Nexo Plastics is Proud to Partner With These Suppliers

Sustainable Products

100% Renewable Based Resins

- Braskem Sugarcane Based PE

Recycled Content Resins

- BASF Nypel* Recycled Nylon 6
- BASF Petra* Recycled PET Polyester
- SABIC Innovative Plastics PC, PC/ABS, ABS, PBT
- RheTech Rhelon* Nylon 6 & 66

Resins With Renewable Content

- DSM EcoPaxx* PA 410 Nylon
- Eastman Tenite* cellulosics
- RheTech / Rhe-Vision / Bio-Fillers

Health-Conscious Materials

- Non phthalate
- BPA free
- Halogen free

Support Services

Technical Assistance

- Process optimization to reduce scrap rates
- Improve energy efficiency

Design Assistance

- Part weight and package reduction
- Material selection

Passion for Customer Satisfaction

Thousands of customers already rely on Nexeo Plastics to connect them to a wide range of products, solutions, technical services and support. They depend on our collective quality of service experience and our passion for customer satisfaction.

We are committed to long-term partnerships, offering a highly experienced support team, advanced inventory management systems, ISO certification and the most comprehensive distribution service network in the industry.

Whether you're partnering with us for the first time or coming back as a repeat customer, our goal is to make sure that we fulfill each order with the highest degree of reliability and efficiency. We do so with an unwavering dedication to safety and compliance.

The Advantage of a Global Infrastructure

In today's challenging markets, you need a supply chain partner that can think out of the box and deliver the best fit and best value possible. At Nexeo Plastics, we connect you to a global supply chain for difficult-to-source resin grades.

Our combination of an industry-leading line of products with dedicated technical support helps businesses like yours connect to the opportunities needed to drive growth and profitability in your market—all of which help you grow your business.

Excellence in *Worldwide* Distribution

We know connecting you to a simplified supply chain and working with the right supplier is critical to your business. As the trusted leader in distribution, we will provide:

- Risk management solutions to mitigate resin supply challenges
- Largest network of inventory
- Superior logistics
- Experienced technical solutions team
- Dedicated in-house business solutions team
