Delivering Innovative Materials and Technical Expertise

As a leading thermoplastic resin and compound distributor, Nexeo Plastics goes beyond logistics to support our customers wherever they are in their product life cycle. From concept to commercialization, our broad portfolio of commodity and specialty resins, technical expertise, and expansive distribution network are in place to support your application requirements.

Nexeo Plastics offers an array of innovative polymer solutions and services for the sporting firearms industry. From weight and warp reduction, to custom color compounding to match your customer's color specifications, our technical team can offer critical guidance when it comes to selecting the right material to optimize your process.

Our team of experts can help with material selection support, product design, and review regulatory needs to meet your application requirements.

Comprehensive Solutions for the Sporting Firearms Industry

- Thousands of thermoplastics materials representing the world's leading suppliers
- Technical experts to help you on every step of the material selection process
- National distribution coverage with a centralized network

Global Resin Distributor *of Choice*

Founded in 1973 as General Polymers, Nexeo Plastics has become a leading global distributor of nearly every grade of thermoplastic resin for injection molding, extrusion, blow molding and rotational molding, including biobased materials. Acquired by affiliates of One Rock Capital Partners in 2019, Nexeo Plastics serves over 60 countries, catering to industries such as **mobility, healthcare, packaging, industrial, and electronics and electric.**

Our company has established itself as a global leader in the industry, distributing over 20,000 products to customers worldwide. Our dedicated team of over 700 employees strives to provide exceptional service and support to our extensive base of 10,000 customers.

Technical Support

Built on decades of technical experience from concept to commercialization

Industry Leader

More than 50 years of experience

Broad Line Card

Access to over 20,000 thermoplastic resins worldwide from premier suppliers

Global Supply Chain

99% on-time domestic & international delivery on our private fleet with over 90 warehouses worldwide
