

We Go Beyond Logistics

As a leading thermoplastic resin distributor, you can expect more from us. More resources, more market insights, more inventory options and more technical support. Every day, we provide ways to make your business more efficient and profitable.

Simplify Your Production Processes

Whether you are injection molding, blow molding, extrusion or rotational molding, Nexeo Plastics can help simplify material, design, manufacturing and logistical challenges.

CHOICES FROM A ROBUST LINE CARD

You have access to more than 8,000 thermoplastic resins covering nearly every grade.

RELIABLE JUST-IN-TIME SUPPLY CHAIN

Our private fleet and network of warehouses provide customized inventory solutions that boast 95% on-time delivery, when you need it, where you need it.

PROBLEM SOLVING WITH OUR TECHNICAL EXPERTS

From part design, material selection and market insights to optimizing productivity, our team can help solve the challenges you face.

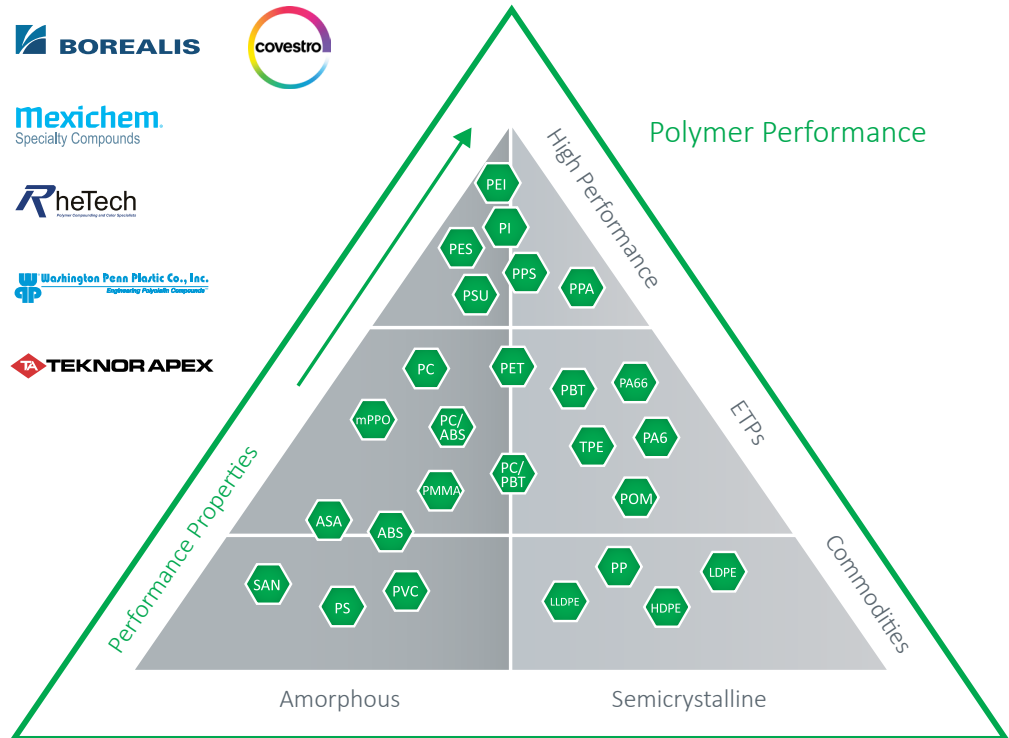

REAL-TIME INFORMATION

Our *MyNexeo* portal provides online access 24/7 for order tracking, technical product documentation, pricing information and more.

Products You Can Rely On

Our broad line card gives you an array of choices in quality thermoplastic resins that meet the needs of your application and comes with the assurance of selecting material manufactured by world-class producers.
