# Nexeo Plastics is a Leading Global Thermoplastic Resins Distributor

Nexeo Plastics goes beyond traditional logistics to provide value-added services, offering a broad portfolio of high-quality thermoplastic resins from first-class suppliers. We serve a diverse global customer base, unlocking value through efficiency and streamlined processes. Our expertise extends across key industries, including mobility, healthcare, packaging, electrical & electronics, wire & cable, appliances, furniture, building & construction, and 3D printing. Our value proposition is built on exceptional customer support, deep technical expertise, and a commitment to innovation and sustainability. We simplify complex supply chains with tailored solutions, reliable delivery, and digital tools that enhance efficiency. By partnering with Nexeo Plastics, customers gain access to a trusted distributor that delivers not just materials, but the knowledge and service needed to drive success in a rapidly evolving market.

## Products: Our Offering in Ireland

### Engineering Thermoplastics

| Product            | Subproduct                    | Brand Name                                                                               | Supplier       |
