

SOLUTIONS FOR PACKAGING

WASHINGTON PENN
An AUDIA Company

Formulate Great.™

WE'RE THE COMPLETE PACKAGE.

When your applications require unique performance specifications, Washington Penn can deliver tailored solutions to meet and exceed your expectations. With a wide range of engineered polyolefin compounds, we have the right formulations for rigid and flexible packaging needs.

Designed for rigid packaging.

Whether you need FDA compliant grades with excellent crush resistance or improved HDT and cycle-time improvement, we can develop innovative solutions for you. All while saving cost and maintaining performance.

Bring on the flexibility.

Choose from an endless array of PE and PP custom masterbatches. With common additive solutions like anti-oxidants, slip agents, anti-block, anti-stat, UV weathering, anti-fog, titanium dioxide, calcium carbonate, and more, our team of experts can help you bring your vision to life.

Let's collaborate and together, formulate great.

Typical Rigid Packaging Applications

- Hot beverage lids
- Yogurt cups
- To-go containers
- Freezer-to-microwave packaging

Typical Flexible & Film Applications

- Agriculture films
- Food packaging films
- Shrink films
- Stretch films
